

A landscape of rolling green hills under a sunset sky. The sun is low on the horizon, casting a warm glow over the scene. The hills are covered in lush green grass, and a narrow path or streambed winds through the foreground. The sky is a mix of soft orange and pale blue, with some light clouds. The overall mood is peaceful and serene.

A man in a dark polo shirt and shorts is standing in a field of tall grass or wheat at sunset. He is looking down at a tablet computer he is holding in his left hand. The sun is low on the horizon, creating a warm, golden glow and a lens flare effect. The background shows rolling hills under a clear sky.
