Dear User Group Board Members,

This is a **reminder of the May 31<sup>st</sup> deadline before which users should add and endorse product enhancement requests (ERs)** using the **Infor ER System** accessible via Infor Concierge – **conciierge.infor.com**, either by clicking on “Enhancements” via the top left 9-dot icon or via the “Enhancements” widget.

**June will then be the Prioritization period** and endorsements will no longer be possible.

Please find attached a user guide of the ER system.

Thank you for passing on this reminder to all your members.

If there are questions, please write to: [erssupport@infor.com](mailto:erssupport@infor.com)

Thank you and kind regards

Mercedes
